MSCI Emerging Markets Investable Market Index<sup>SM</sup> (EM IMI)

BlackRock Collective Fund

## Investment Information

### Investment Strategy

This is an index fund that seeks to match the performance of the MSCI Emerging Markets Investable Markets Index<sup>SM</sup> (IMI), comprised of large, mid and small capitalization securities in 22 emerging markets. Investing in foreign markets may offer additional return and diversification benefits to an investment portfolio. Diversification increases the chances that one investment's strong performance will offset another investment's poor performance. This fund is intended for long-term investors seeking to capture the earnings and growth potential of foreign companies in emerging market countries.
