

Employer Reporting Application Project
Request for Proposals 13-002-103
Amendment 2
September 18, 2013

Purpose of this Amendment:

Attachment C – Bidder Requirements and Response contains numerous fillable tables. The first column of the tables at C.7 B. (page 38) and C.7 C. (page 39) were “locked” when they were initially uploaded. As a result, bidders could not enter requested data in that column.

This amendment provides Attachment C (version 2) to be used in lieu of the document previously provided as “DRS ERA RFP Attach C Bidder Requirements”.

The only difference between Attachment C (version 2) and the original Attachment C is that all the cells in the tables at C.7 B. (page 38) and C.7 C. (page 39) are unlocked and “fillable.”

Attachment C (version 2) – Bidder Requirements and Response is available on WEBS and at http://www.drs.wa.gov/rfp/current-rfps/13-002/DRS_ERA_RFP_Attach_C_v2_Bidder_Requirements.docx.
