Retirement planning checklist

This checklist will walk you through the steps you’ll take to retire with DRS.

**Start planning**
- Sign up for an online account ([drs.wa.gov/oaa](http://drs.wa.gov/oaa)). Use your account to:
  - Verify the number of service credit years you have.
  - Calculate your retirement income through the Benefit Estimator.
  - Review your plan for your retirement eligibility ([drs.wa.gov/plan](http://drs.wa.gov/plan)).

**3-12 months before retiring**
- Request an official estimate of your monthly benefit through your online account or by calling DRS. In most cases, we will provide your estimate 5 to 8 weeks before your retirement date.
- Complete payment for any optional service credit.

**1-3 months before retiring**
- Contact DRS if you need to make changes to your official estimate (for example, if you want to change your retirement date or survivor option).
- Apply for retirement through your online account.* You must complete a retirement application at least 5 weeks from the date you intend to retire (once you receive your official estimate).
- Plan 3 or DCP: Decide when you want to begin receiving payments from your contributions. See your withdrawal options at [drs.wa.gov/plan3](http://drs.wa.gov/plan3) or [drs.wa.gov/dcp](http://drs.wa.gov/dcp). Contact the record keeper at 888-327-5596 with questions.
- Tell your employer your intended separation date.

**At and during retirement**
- The same month you retire, you’ll receive your first payment on the final business day of that month. If you don’t receive your payment, contact DRS.
- After you retire, we’ll mail you a letter with your monthly benefit information. Make sure your information on the letter is correct.
- When you receive your first monthly benefit payment, make sure the deductions on your statement are correct. Contact DRS if you have questions about any non-medical insurance deductions.
- Keep your address and beneficiary information up-to-date with DRS. Enjoy retirement!

*Members of more than one plan will need to contact DRS to apply.

**Tips for a better retirement**

**2-20 years before retirement**
- Sign up for DCP to save even more for retirement. Over 50? DCP has a catch up savings option for you ([drs.wa.gov/dcp](http://drs.wa.gov/dcp)).
- Review your options for restoring or purchasing service credit to increase your benefit ([drs.wa.gov/sitemap/service](http://drs.wa.gov/sitemap/service)).

**1-2 years before retirement**
- Register for a retirement webinar at [drs.wa.gov/webinars](http://drs.wa.gov/webinars). This is a great way to get an overview of the retirement process and ask questions.
- Want to increase your retirement income? Explore your options at [drs.wa.gov/annuity](http://drs.wa.gov/annuity) or contact us.
- Plan for health care in retirement. Find out which options are available to you. Your employer may have additional information for you.

**3-12 months before retirement**
- If you’ll be covered by the Public Employees Benefits Board (PEBB) program health insurance, contact PEBB services.
- Decide when to apply for Medicare and Social Security retirement benefits.

**30-90 days before retirement**
- If you’ll be using PEBB health care, now is the time to send in your coverage election form.
- DCP customers, contact DRS to find out if you can apply any unused leave toward your account.
